

HBM Satellite Symposium on Social & Affective Neuroscience

June 7-8, 2012, Beijing

http://psychbrain.bnu.edu.cn/teachcms/s3an_index.htm

1. General Information

The 2012 Annual Meeting of Human Brain Mapping will be held in Beijing during June 10-14, 2012. We will organize a satellite symposium on Social & Affective Neuroscience before the HBM Conference, on June 7-8. The symposium will serve as a bridge to advance the research of Social & Affective Neuroscience in China through intensive and close collaborations between Chinese and Western scientists. This event is sponsored by School of Brain and Cognitive Sciences at Beijing Normal University and the Chinese Chapter of Society for Social Neuroscience. The themes of the symposium will focus on emotion, culture, morality and all the interdisciplinary aspects related to social neuroscience.

Invited speakers will include (In alphabetical order by last name): Hsueh-Chih Chen (National Taiwan Normal University, Taipei); Mark Cohen (University of California at Los Angeles (UCLA), USA); Jin Fan (Queens College, CUNY, USA); Fang Fang (Peking University, China); Shulan Hsieh (National Cheng Kung University, Tainan); Yang Jiang (University of Kentucky, USA); Chao Liu (Beijing Normal University, China); Vinod Menon (Stanford University, USA); Tor D. Wager (University of Colorado at Boulder, USA); Kai Wang (Anhui Medical University, China); Xuchu Weng (Hangzhou Normal University, China); Liane Young (Boston College, USA); Xinyue Zhou (Sun Yat-Sen University, China).

We are looking forward to seeing you in Beijing.

Local Organization Committee:

School of Brain and Cognitive Sciences/ National Key Lab of Cognitive Neuroscience and Learning, Beijing Normal University, China
Chinese Chapter of Society for Social Neuroscience

Chairmen:

Yuejia Luo, Ph.D.,
Professor, Chair of Chinese Chapter Society for Social Neuroscience
Dean of School of Brain and Cognitive Sciences, Beijing Normal University

Committee members:

Jun Wang, Chao Liu, Boqi Du, Lingjuan Chen

2. Registration

Please fill up the registration form (*Attachment 1*) and send an email to S3AN2012@bnu.edu.cn.

Registration fee

Registration fee covers the conference proceedings, welcome reception, banquet, lunch and tea breaks.

Regular: \$65 (RMB400)

Student: \$35 (RMB200)

*Student: undergraduates, graduates (M.S., Ph.D.), post-docs, trainees.

For On-site registration, we accept cash only. For the Early registrations, we accept registration fee payment via wire transfer for all attendees. The detailed instructions for bank transfer are as followings.

Banker's Name	BANK OF CHINA BEIJING HAIDIAN SUB-BRANCH WEN HUI YUAN SUB-OFFICE
Banker Address	NO.4 WEN HUI YUAN BEIJING HAIDIAN, CHINA 100088
Account Number	00000340256015272
Beneficiary's Name	BEIJING NORMAL UNIVERSITY
Beneficiary's Address	NO.19 XIN JIE KOUWAI STREET, BEIJING, CHINA, 100875
Swift Code	BKCHCNBJ110
Note	SCOOOL OF BRAIN AND COGNITIVE SCIENCES, S3AN2012

3. Venue

Yingdong Building, Beijing Normal University
19 Xinjiekouwai Str., Beijing, 100875, China

4. Accommodation and transportation

Accommodations

- Jingshi Hotel, Beijing Normal University (4 star Hotel)
Tel: 86-010-58802288
- Expert Apartment, Beijing Normal University
Tel: 86-010-58807642
- Lanhui Apartment, Beijing Normal University
Tel: 86-010-5880600
- Xinsong Apartment
Tel: 86-010-58807890
- Liyun Apartment
Tel: 86-010-58805151

Transportation

- From Beijing train station: Take Subway to Jishuitan Station and transfer to Bus 22 to Beijing Normal Univ. Station.
- From Beijing West train station: Take Bus 47 to Beijing Normal Univ. Station.
- From Beijing South train station: Take Bus 939 to Beijing Normal Univ. Station.
- From Beijing North train station: Take Bus 104 to Beijing Normal Univ. Station.
- From Beijing National Airport: Take Airport Shuttle bus to North Taipingzhuang, walk 10 mins to Beijing Normal Univ.; or take taxi with the fee of RMB80
