Dear

We cordially invite you to attend the 33rd Annual Meeting of the Organization for Human Brain Mapping (OHBM). The event will be held Saturday, June 26, 2027, through Wednesday, June 30, 2026, at the Metro Toronto Convention Centre in Toronto, Canada. OHBM is the primary international organization dedicated to neuroimaging.

Each year, approximately 3,000 researchers and clinicians gather to attend top-notch scientific educational programs, share their latest research, and network within the community. For further information regarding the event and organization, please visit our website: www.humanbrainmapping.org

This letter of invitation is to facilitate your visa application. OHBM will not be providing financial support for this delegate, including travel, registration fees, or local expenses relative to the OHBM meeting. We advise all delegates to apply for their visa at least 12 weeks in advance of their departure date to ensure that they receive it in time to travel to the event.
