

Constantly exceeding the possible – expanding precision medicine with MRI

OHBM 2018,
Siemens
Healthineers
lunch symposium

SIEMENS
Healthineers

Join our Siemens Healthineers lunch symposium at OHBM 2018!

We look forward to welcoming you to the Siemens Healthineers lunch symposium at OHBM 2018. Hear from our experts to get deeper insights on imaging of sleep-deprived brains and investigations into the neural substrates of social interaction.

Join our lunch symposium on

Wednesday, June 20th, 2018
from **12:00 – 1:30 PM**
in **room 324 – 326**

Lunch will be provided to the first 200 attendees.

Agenda:

Constantly pioneering MRI

Joerg Uwe Steuk
Siemens Healthineers

Imaging of sleep-deprived brains

Professor Michael Chee
Duke-NUS Medical School, Singapore

Neural substrates of social interaction: from hyperscanning 3T fMRI to inter-species comparisons with 7T MRI

Professor Norihiro Sadato
National Institute for Physiological Sciences, Japan
